Internal Quality Assurance Cell
Student Satisfaction Survey-2020-2021

Introduction:

To maintain the standard of higher education and to improve the quality of the institute, the formal feedback committee is established by IQAC. The feedback about infrastructural facilities, teaching facilities has been collected manually from the students in the form of questionnaire. Some of the features are included to evaluate the overall performance of the institute. They are curriculum size; relevance, need base applicability, employability, skill development, individual satisfaction level and fulfilment in developing social aspects after learning the syllabus of the course.

Methodology:

The feedback forms have been prepared and the response of the students have been noted. A random sampling has done for analysis. Every question carrying equal marks are used for evaluation. The feedback is framed by the feedback committee members.

Analysis of the data and result:

The feedback committee analyses the feedback obtained from the students. The entire faculty members scored Very Good to Excellent.

Analysis of the infrastructural facilities done by the committee and its reports submitted to the Principal. The overall facilities are of good quality. The analysis of quality of curriculum prescribed by the University was done by committee on the basis on responses received from the students. The committee concluded that the students are satisfied and happy with the institutes overall performance.
