Student Satisfaction Survey-2019-2020

Introduction:

To maintain the standard of higher education and to improve the quality of the institute, the formal feedback committee is established by IQAC. The feedback about infrastructural facilities, teaching facilities has been collected online due to pandemic from the students, parents, alumni's and the employees in the form of questionnaire. Some of the features are included to evaluate the overall performance of the institute. They are curriculum size; relevance, need base applicability, employability, skill development, individual satisfaction level and fulfilment in developing social aspects after learning the syllabus of the course.

Methodology:

The well-structured feedback questionnaire in the Google forms application has been sent through Whats App groups. A random sampling has done for analysis. Every question carrying equal marks are used for evaluation. The feedback is framed by the feedback committee members. All the stakeholders express their satisfaction level through the feedback forms.

Analysis of the data and result:

The feedback committee analyses the feedback obtained from the students, the alumni, the employees, the parents by the graphical methods. Every individual teacher is graded. The entire faculty members scored Very Good to Excellent.

Analysis of the infrastructural facilities done by the committee and its reports submitted to the Principal. The overall facilities are of good quality. The analysis of quality of curriculum prescribed by the University was done by committee on the basis on responses received from the students. The committee concluded that the various stakeholders are satisfied and happy with the institutes overall performance.
