2.2 - Catering to Student Diversity

2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

The institute follows a kind of mechanism which assesses the students learning ability. The teachers sort out the slow learners and advance learners from the students. The Remedial coaching is provided to these students. The slow learners are provided extra tutoring to bring them into the mainstream. The teachers guide them more vigorously. On the other hand, the advance learners are asked to go through extra reading on the particular topics. The teachers pay their attention to both categories through mentoring program. The study material with question bank is supplied to them.

The students overcome the fear of stage by presenting themselves through various programs. The teachers nurture and nourish the personality of the students through their continuous mentoring. The academic year 2020-2021 did not fulfill the students requirement due to pandemic. Very few students could afford costly mobile gadgets. The online program fail to provide educational facilities to the institutes rural students. It was a huge loss on both sides.
